

About Kekst CNC

Kekst CNC is a global strategic communications firm that specializes in protecting and enhancing reputations. From 15 locations around the globe, our team of 250 professionals provides expert communications counsel, informed by judgment, insights and data-led analysis.

We apply our communications expertise across high-stakes corporate, financial, and political matters, helping businesses communicate effectively through periods of disruption, transformation and growth.

Kekst CNC is part of the Publicis Groupe. For more information, visit www.kekstcnc.com

To support our global Team, we are hiring a full-time

Creative Artworker (m/f/d)

We are looking for a meticulous and proactive creative artworker with a strong design eye to join our growing in-house creative team. You will work with colleagues across our global offices to deliver brilliant designs for our communications and marketing campaigns.

You will enjoy working on a diverse range of print and digital projects and are comfortable hitting tight deadlines. You will have good knowledge of print techniques and digital formats, and your attention to detail is second to none. The role will be principally focussed on brochures, leaflets, social media and web assets.

You would be joining the firm at an exciting stage, as we build up a small but strong global creative team. Our ongoing goal is to raise the bar on our output and add real value to our creative offer. Given you would join the team from the start, you will be able to make a true and meaningful impact to the work we do. You will report into our Global Traffic Manager, based in London and you can be based in either London, Stockholm, Frankfurt, Munich or Berlin.

Key responsibilities:

- Lay out, refine and artwork print and digital campaigns
- Ensure all work is accurately prepared for print and digital production
- Liaise with external partners such as developers and printers and act as a point of contact for technical queries
- Retouch and resize images for print and digital use
- Manage and maintain the bank of Kekst CNC brand assets
- Collaborate closely with team members across our global offices to bring campaigns to life
- Keep up to date on software, technical knowledge and design trends
- Manage and execute multiple projects at once, efficiently meeting deadlines
- Ensure all output is on brand and communicated clearly

What we expect:

- Several years' creative artwork experience at an agency, consultancy or in-house studio
- Excellent working knowledge of Adobe Creative Suite (Photoshop, InDesign, Illustrator)
- Exceptional eye for detail and consistency that extends to language and proof reading
- Great layout skills and the ability to take a creative idea and roll it out across different print and digital formats
- Strong experience in creating digital assets such as web banners and social media assets
- Great retouching skills
- Ability to communicate and collaborate effectively, verbally and in writing, with colleagues at all levels
- Fluency of written and spoken English. Knowledge of German, Swedish or French is a plus – we work across all major markets
- Knowledge of MS PowerPoint, After Effects and HTML is an advantage

What we offer:

Kekst CNC offers an inspiring working atmosphere, characterized by the highest level of professionalism in a challenging environment and an open corporate culture. Although you would be based in one market, you will be a global team player as you will interact with colleagues all over the world. In addition to having an impact on the business and influencing the outputs of the Creative Team, we offer a competitive salary, bonus scheme and benefits package.

Please send your application, or any questions related to the role, to the following e-mail address: career-emea@kekstcnc.com

The recruitment process will consist of several steps, such as interviews, assessment and reference check.

We look forward to your application!

Kekst CNC is an Equal Opportunity Employer. All qualified applicants will receive considerations for employment without regard to race, colour, age, religion / belief, sex, sexual orientation, gender identity / expression, national origin, disability, marriage and civil partnership status, pregnancy and maternity status, or any other characteristic protected under EU, state or local law.
