

About Kekst CNC

Kekst CNC is a leading global strategic communications firm that specializes in protecting and enhancing reputations. From 15 locations around the globe, our team of 250 professionals provides expert communications counsel, informed by judgment, insights and data-led analysis. We apply our communications expertise across high-stakes corporate, financial, and political matters, helping businesses communicate effectively through periods of disruption, transformation and growth. The Tokyo office was established in 2004. This makes Kekst CNC a pioneer in Japan as the only global strategic communications consultancy with a history of 17 years in this market. Kekst CNC is part of the Publicis Groupe. For more information, visit www.kekstcnc.com
