From 15 locations around the globe, our team of 250 professionals provides expert communications counsel, informed by judgment, insights and data-led analysis. We apply our communications expertise across high-stakes corporate, financial, and political matters, helping businesses communicate effectively through periods of disruption, transformation and growth. Kekst CNC is part of the Publicis Groupe. For more information, visit www.kekstcnc.com

Kekst CNC is seeking a creative, results-oriented individual to provide strategic marketing and tactical support and build the Kekst CNC brand in the German market.

To support our global marketing team we are hiring a full-time

Marketing & Communications Lead Germany (f/m/d)

Munich, Frankfurt or Berlin

About the Role

As Marketing & Communications Lead based in Germany, you will work closely with the Global Marketing Director and the local management team to design and implement high-impact marketing programs that raise Kekst CNC's brand awareness and help build relationships with clients and key influencers. You would join at an exciting stage as we are building up the Global Marketing function. While you would focus on raising the brand awareness in the German market, you would work closely with the global marketing team and support key global projects and campaigns.

Main responsibilities

- Develop and adapt engaging short and long-form marketing content (blogs, video features, Q&As, case studies etc.)
- Manage and enhance owned and relevant external channels (German Kekst CNC website, LinkedIn, media and others)
- Executing direct and digital marketing campaigns
- Enrich relationships with influencers and identify opportunities for strategic partnerships
- Establish marketing KPI's for Germany and track campaign impact/analytics and loop learnings back to the local management and global marketing teams
- Follow industry trends and provide competitive intelligence
- Support the implementation of the global CRM system in Germany and ensure its fully leveraged to maximize effectiveness of business development and marketing campaigns

Experience required

- Several years international experience in a B2B marketing/communication function in professional services or agency
- Proven track-record in developing successful marketing and communication strategies and programmes
- Build brand awareness and strengthen relationships with clients and industry influencers
- Expertise in crafting and editing engaging content across multiple formats (print, social media, web, etc.)
- Fluent German and English written and spoken language skills

Skills and attributes

- Excellent communication skills
- Strong writing and editing skills
- Outstanding interpersonal skills, honed in a demanding and challenging international work environment
- Ability to juggle competing tasks and priorities and manage own time
- Flexible attitude, hard-working and results driven
- Self-starter who has an appetite for learning and ability to work without daily guidance

What we offer

Kekst CNC offers an inspiring working atmosphere, characterized by the highest level of professionalism, lots of fun at work and an open, supportive corporate culture. In addition to exciting development opportunities, we offer a comprehensive learning and development programme, a competitive salary, a bonus scheme and benefits package.
